Paddy Noonan and Seanachie Travel proudly present...

A “Twice in a Lifetime” Cruise to Bermuda

**Departs New York City on August 1st, 2010
aboard the luxurious Holland America ms Veendam.**

Thirty years ago, Paddy Noonan and Brendan Ward, band leader at the renowned City Center Ballroom, had an idea that if they gathered a group of Irish people and put them on a luxury sea liner, entertain them with the best of Irish music, song and comedy, provide elegant dining and sail them away to intriguing, sunny locations where they could sunbathe, swim and shop by day and dance, sing and socialize by night, they just might have discovered a new way to **“keep the Irish tradition alive”!** It seems to have been a wonderful idea as evidenced by the many choices you have today to cruise the “Irish” way.

What better way to celebrate this wonderful tradition than by reliving the very first Irish cruise and sailing again...To the very same destination!

Paddy Noonan’s 30th Anniversary Commemorative Bermuda Cruise departs New York City on August 1st, 2010 for a 7 day adventure on the high seas. Sailing to an enchanting island with a decidedly European flair, you will first drop anchor in St. George. This quaint seaport town is steeped in history. Most of its buildings were constructed between the 17th and 19th century and meandering through its narrow streets such as Petticoat Alley and Old Maid’s Lane, summon images of times gone by.

Next afternoon, you set sail to Bermuda’s capital city of Hamilton. As you stroll this beautiful port, you’ll love the charming pastel-colored two-story buildings along Front Street, showcase to the most exquisite variety of porcelain and cashmere in the world. Most attractions are easy to see on foot. Be sure not to miss Bermuda’s newest attraction, the Bermuda Underwater Exploration Institute, and a stroll on its pink sandy beaches is a must.

There is never a shortage of activities while in port or at sea. The ms Veendam, your home away from home for 7 glorious nights offers diverse dining selections, 2 swimming pools, wide teak decks, a full casino, Greenhouse Spa and Salon, fitness center and a wide range of entertainment including – Paddy Noonan and friends. Home was never so good.

Rates include a \$50.00 shipboard credit. Call to find out about our special incentive for passengers who book before December 31st!
